

BAD NEWS RELIGION

THE VIRUS THAT ATTACKS GOD'S GRACE

What's Wrong with Being Religious?
Are You a Slave of Religion? Is Christianity Religion?
Is Grace Really All You Need?

Since the church first began, Christians have had trouble accepting God's grace. We have substituted holiness, discipleship, order, regulation and a long list of things to avoid in place of God's free gift. The result is a "Bad News Religion" that drains the joy and the life out of believers.

Bad News Religion is a convincing, liberating exploration of how we, in the name of religion, have shifted the focus from the work of God to our ability to become worthy of salvation. The result is bondage and defeat rather than experiencing the true richness of God's grace.
