

If you, a friend, or a loved one have ever worried about being left behind — if you have ever wondered if “end times” prophecy teaching is the only way, or the best way, to understand Bible prophecy — then *Revelation Revolution* can be like a refreshing, long-awaited oasis in the desert.

Revelation Revolution is a grace-based, Christ-centered exploration of the biblical

book of Revelation. Greg Albrecht, author of *Bad News Religion*, plants the cross of Christ in the midst of what he sees as irrelevant and misleading interpretations of biblical prophecy, ideas that may even unwittingly war against the gospel of Jesus

Christ. *Revelation Revolution* is an invigorating, provocative look at this critically important last book of the Bible.
